About Our Guest **CHAUNTÉ LOWE**

Chaunté Lowe understands what it means to rebuild when life collapses without warning.

A four-time Olympian and breast cancer thriver, her journey has taken her from the highest stages in the world to seasons of deep personal loss - and back again.

Today, she shares a message of hope, rooted in resilience, faith, and the belief that transformation is possible when people are given support, dignity, and opportunity.

Chaunté's work reflects the heart of The Rescue Mission's work. It affirms that resilience is not about perfection. It's about progress, courage, and community.

Prepare to leave today inspired, with a winning, "I can do ANYTHING" attitude.

WELCOME

Dear Friends,

This morning, my heart is full of appreciation because you've decided to join your neighbors to welcome Chaunté Lowe to Northeast Indiana. I am excited for what promises to be an amazing time together.

Every day, remarkable transformations occur in the lives of the children, women, and men at The Rescue Mission. We engage and advocate for our clients who do the hard work of human development. They bravely confront trauma, addictions, mental health challenges, and cultivate deep relationships with Jesus Christ.

YOU make this possible through your financial support, donations, investment of your time and talents, and your endless prayers. **Without your steadfast support, the most vulnerable members of our community would be in despair.**

We celebrate the extraordinary work God accomplishes through The Rescue Mission. We pray you will be inspired and encouraged this morning. We invite you to relax or sit on the edge of your seat for our *Raise the Bar Breakfast*.

Together, let's "raise the bar" in our community!
